Colossians 1: Centrality of Jesus – Glenys Hart

Key Outcomes

The presentation establishes the **supremacy of Jesus** over all creation and his role as the central figure for human reconciliation with God. The speaker outlines six specific attributes of Jesus to demonstrate why he holds the highest rank, authority, and importance in the life of a believer.

Attributes of Jesus

- **Image of the Invisible God:** Jesus reveals the nature and character of God to humanity, serving as the exact imprint of God's being.
- **Firstborn Over Creation and Death:** The term "firstborn" denotes a position of supreme rank and authority rather than chronological order of creation. Jesus holds power over death as the only one to rise and live evermore.
- **Sustainer of All Things:** Jesus did not abandon the world after creation but actively holds all things together and ensures they function.
- **Head of the Church:** Jesus serves as the "command center" for the global and local church; leadership teams act only under his delegated authority.
- **The Divine:** The fullness of God dwells in Jesus, enabling his divine knowledge and the performance of miracles.
- **The Reconciler:** Through his sacrifice on the cross, Jesus acted as the spotless lamb to remove sin and reconcile mankind to God.

Call to Action

- **Personal Faith:** Individuals are invited to repent of their sins and accept Jesus as their Lord and Savior to find reconciliation with God.
- **Spiritual Commitment:** Glenys challenges believers to be more "sold out" to God and deepen their prayer lives to become better channels for God's work.
